

BRANCH NEWS

As its beyond our training season and pre AGM we have no diary.

The AGM will be held at the Foelas Arms, Pentrefoelas on November 6th starting at 8pm.

This year will just be an AGM without an accompanying speaker, as turnout at meetings has been so poor an membership so low we cannot really invite a speaker. Meetings this year have attracted an average of 3 members.

At present we have no Chairman, in addition Craig will be stepping down from the committee as he will be entering full time employment. His contribution will be sorely missed. Given our current low membership we will have to restructure the committee and the way in which we operate, such decisions will be made at the AGM.
